

8 Ways

the Davis Chamber supports the local Business Community

Advocacy

Through our decades long partnerships with the City and UC Davis, the Davis Chamber of Commerce is the only city-wide voice of the business community to lobby local government on behalf of our business community, and to share information from them directly to you.

Networking

What better opportunity than our State of the City address to make great professional connections! We host dozens of similar events, giving attendees a great place to make connections, find professional and personal resources and so much more!

Resources

From our partnership with the Small Business Development Center (SBDC), our Chamber offers valuable resources on a variety of topics to our members to help their business succeed, grow and thrive!

Events

Chamber events come in all shapes and sizes! Celebrate Davis, Family Fun Fest, our Installation Gala, Socials, Ribbon Cuttings, and other events are a great way for our local businesses to promote themselves in the community.

Education

The Chambers Foundation works to support DJUSD, award scholarships to deserving graduating seniors, and welcome new staff across the school district. The Chamber has had a long and active partnership with UC Davis since its opening in 1908.

Project Development

The Davis Chamber of Commerce represents a broad array of business interests. The Chamber's strong voice on behalf of its membership has benefitted our thriving business community.

Economic Development

From building projects which bring in new jobs to our community, working on tradeable sectors - our chamber invests time and resources to encourage new business growth that, in turn, benefits the community.

Members

Around 400 members strong, our Chamber is invested in the successes of its membership! We are in business for businesses!

10 WAYS

THE CHAMBER CHAMPIONS A STRONG COMMUNITY

The Chamber is committed to building a stronger local economy by connecting members to resources and potential clients. Here are 10 ways your investment in the Chamber makes a difference in the Riverside business community.

Invested in the future workforce by giving over 7,000 students one stop access to career and educational opportunities at the Riverside College & Career Fair.

Worked with businesses to address and bridge the gap between K-12 curriculums and the skills needed for Riverside's workforce needs.

Generated a \$76 million impact to the economy through the Festival of Lights Switch-On Ceremony that draws 75,000+ visitors to downtown.

Convened leaders through Leadership Riverside to advocate for the region by giving them the knowledge to address critical issues.

Improved quality of life by recruiting volunteers to collect over 190,000 pounds of litter through Keep Riverside Clean & Beautiful clean-up events.

Backed Riverside Unified School District's CTE Showcase, providing students and teachers with resources to learn more about higher attainability.

Promoted early literacy by recruiting volunteer readers for Read Across America Day at local school districts.

Empowered students through the Clean Campus Competition about environmental awareness and leadership skills.

Awarded local businesses for their dedication to sustainable business practices in front of 1,000 community leaders at the State of the City Address.

Supported the Riverside County State of Education Address, which highlighted initiatives to close the opportunity gap, develop internships, and create partnerships.
